Ruby Wells

Danbury is again pleased to honor one of its senior citizens, a Danbury native (which is a something of a rarity these days). Ruby (Jenness) Wells was born in the South Danbury section of Danbury on August 28, 1895. She graduated from the South Danbury grade school and later from Proctor Academy. She belonged to the South Danbury Church and took a keen interest in the Christian Endeavor.

After Ruby's marriage to Frank Wells, they lived several years in South Danbury where their children, Arlene and Maurice, were born. Arlene (Wells) Chellis died in 1987. In 1930 Ruby and her husband purchased a large farm in Danbury. They operated a very successful dairy farm and, following Frank's death, Ruby and Maurice continued the operation until his retirement.

Many of you may not know Ruby as her chief interest has been in her home and her family. A colorful, weed free flower garden is her pride and joy in the summer. During the winter months, she has made many beautiful hooked and braided rugs, many of which can be seen in the homes of her family, while she has sold some.

Ruby Wells, a good citizen, a faithful friend, and a devoted family person, we are proud to honor you.

SELECTMEN'S REPORT

This past year, as always, was a continuation of the programs from the previous year and a look to the future.

TOWN HALL PROJECT: Coming along very slowly with most of the major construction being completed. Tax Collector/Town Clerk's Office, as well as the Selectmen's Office are basically done and we are in the transition process.

We will have the Elections in March here at the Town Hall and the Annual Meeting at the Elementary School.

LIBRARY: A new cement ramp with rails has been constructed and working very well. Painting and landscaping will be done this Spring.

A new ceiling has been installed in the back room and exit steps have been constructed at the back door.

Many thanks go to a few people for either donating their time, tools and equipment and/or working for a very low wage, yet still getting a competent job.

A parking lot was constructed across from the library as an easement was granted by Mr. and Mrs. Sandblom and the work and materials were donated by Phelps Construction.

TRANSFER STATION: A new ramp was constructed to help in the recycling of metals. We anticipate that maybe this same ramp will be utilized if and when we are able to ship out the building debris.

This fall, we did rewrite the contract with Central Disposal and thus, we have a man who works both at the transfer station and for the Highway Department.

We, unfortunately, had to enforce the "Dump Sticker Policy and Guidelines" as the situation at the transfer station had pretty much gotten out of hand. Unfortunately, again, we made very few friends in this situation, but had to do what was necessary to help correct the problem.

We are still a member of the Pemi-Baker Solid Waste District and hoping by Town Meeting they will have a new contract signed. This could save us a few dollars.

Also, we ask that you folks save your hazardous wastes and become an active participant when the annual Hazardous Waste Day is held. This day probably will be held in the Fall.

Recycling of cardboard and paper also has to be addressed this coming year if at all possible.

ROADS - BRIDGES: Major work has been done as planned on the Forbes Mountain Road. This year, we plan on the finish gravel.

The South abutment was fixed at the Wells Bridge. This year we anticipate fixing not only the rails at this bridge, but also at many others that are in either bad shape or do not meet State Guidelines.

RECREATION: The only approved program, thus far, has been the skiing program for the Danbury Elementary School children.

We are also a member Town that pays the Bristol Community Center so that our people can participate in their program.

The Town also recognizes Elmwood Park located on Ragged Mountain Road as a place for people to have picnics and small outdoor activities.

This past summer, a group of Townspeople started clearing the land at the Intersection of North and Eastern District Roads in anticipation of the construction of recreational fields.

The Board of Selectmen did appoint a three member recreation facility committee to get necessary permits with plans so this could be approved at Town Meeting. We also are aware of the heavy demand for recreation in Town but, at the same time, we have seen programs excel one year and are discontinued the following year due primarily to lack of leadership. Thus, we anticipate appointing a Recreation Committee for 1991 to submit to us the recreation programs they wish to have implemented for the coming year.

At the same time, to have continuous and ongoing programs in the years to come, we are hoping that you people will vote to elect a Recreation Committee starting with the 1992 Election (article #12).

FINANCIAL AFFAIRS: As most of you are aware, taxes are high, money is not readily available and everybody wants more.

This year, the Town's percentage of the tax dollar was pretty much stabilized, but we did have a very large increase in the County Tax and School Tax.

Tax money is not coming in and it is not as easy to borrow money as in the past. The Selectmen realized this early this Fall and requested that all departments put a hold on expenditures. Some departments were either able or willing to spend only the absolute necessities and others did not.

At the end of the year, all of our bills were paid and we did not have any short term notes outstanding.

Outstanding Tax Dollars which really affect the well being of the Town are as follows as of December 31, 1990:

$13,000. for 1988 taxes
$55,000. for 1989 taxes
$230,000. for 1990 taxes

If the taxes are not paid and this trend continues, the Board of Selectmen may have to cut back on services provided even though money is voted at Town Meeting for a specific program in its entirety. Unfortunately, this may have an effect on the quality of the job done by elected officials and also the expectations from the Taxpayers.

It is very hard to spend money that you do not have, but we all need to strive to give to the people (residents and non-residents) the best with what we have.

We hope to see you at Town Meeting and at the Annual School District Meetings.

DANBURY PLANNING BOARD

It has been a very slow year in Danbury. There have been no major subdivisions, a few minor ones, mostly property being subdivided into family parcels.

The Planning Board has updated the "Subdivisions Regulations" and has worked on the State mandated "Gravel Pit Regulations" which still have a lot of work to be done on them.

The Board has also raised the subdivision fee to $25.00 with an additional $10.00 fee for each lot.

Phyllis Wiggin has served for 6 years as a member of the Board, several as Chairperson. Mary Quinn has served since 1982, first as an alternate, then Chairperson, Treasurer and Secretary. Neither will be seeking re-election, feeling that new members will come aboard with new ideas as to what would be best for the Town in years to come.

Both Phyllis and Mary will be available to offer any help to the Board if needed at anytime.

M. Mary Quinn
Secretary

The moderator, Jim Phelps, steps down and appoints Paula Euerle as Moderator in order to speak on this Article.

Said budget committee shall consist of 6 members. Jim explains reason for amendment - he was the originator of the petition, and an oversight on his part wrote Selectmen and after checking the RSA found it was the Moderator to appoint a budget committee. Jim also explained he planned on appointing members that have already been elected to the advisory budget committee for the past 3 years. **Jim Phelps makes the motion to amend the Article to read Moderator, seconded by Tricia Ricker. Paula explains amendment and asks Tricia Ricker to explain the findings of her "Police Needs Committee" that was appointed by Jim Phelps "To see if the Town of Danbury needs a full time police department and whether

we can afford it". Tricia reads her report (copy attached). Town does not warrant a full-time Police Department - the consensus was that part-time coverage is sufficient. Members of this committee - Michael Barnet-Kathy Colby-Tricia Ricker-Tony Sciucco.

Line #7 Police Department - amendment made by Paula Euerle to reduce the Police Department's Budget to $20,630, motion seconded by Tammie Phelps. Article #4. Amended to read "To see if the Town will Vote to raise and appropriate the sum of $334,111". **Article #4 passed as amended.**

Tammie Phelps makes a motion "I move that we reconsider Article #4 and urge you to vote no". Jim Phelps, Moderator, explains it is a parliamentary procedure whereby if we moved to reconsideration to vote no, we do not have the opportunity to come back and reopen the budget and discuss it again. It means that if you leave here, you can leave here assured that nobody is going to come back at a later date, reopen the budget and change it. It is a parliamentary procedure saying we have taken our final action on the budget at this time and will not be reconsidered again. Selectman Forrest Powers states he has no problem with this motion, but felt it was poor taste that the Moderator puts the Article out into the General Public and have the Public put it back onto the floor. He did not think that is what a Moderator should be doing. Moderator is to run the Meeting for the people that are out there. If he wants to step down and present this article himself, he should have done it. Moderator states Forrest's comments are noted. People attending the Meeting comment on Article. No one is twisting arms to have someone put the motion on the floor. Moderator explains, it is no secret that he plays an active part at Town Meeting - he does that because he has the right to and not just because he holds the gavel. He did not think it should deny him his right to participate in Town Meeting. Jim tells Forrest, his remarks are duly noted and he accepts them for what they are, however, I believe that the interest of you the body, that are here today, that you should understand, that when you take an action here, it is always subject to reconsideration, unless you defeat the article for reconsideration. It is common place, that after this budget article is adopted, a good number of you will decide to go home, because it is after midnight, but there is still business to be attended. If you fail to vote no on reconsideration, the budget could come up later. This has happened in Andover last Tuesday night. They thought they had defeated an article for $20,000. a lot of people went home, it was reconsidered and they passed the Article after a lot of people had gone home, that's the question before you. Moderator asks all those in favor of reconsideration say aye (none) all those opposed? **Voice vote to oppose reconsideration of Article #4. It should be noted, this motion was never seconded.**

ARTICLE #5. To see, if the Town will vote to raise and appropriate the amount of $5,000. for repair of bridges. Motion made by Tammie Phelps to adopt article, seconded by Tricia Ricker. Article voted on and passes. Article #5. passes.

Tammie Phelps makes a motion to go to Article #24. Motion seconded by Alan Brownell. Article #24. To see if the Town will vote to change the term from one year to two years on the following elected officers: Town Clerk, Tax Collector, Road Agent, and Police Chief. **Motion is made by Tammie Phelps to pass over Article #24 - motion seconded by Arthur Ford. All voted in favor of motion. Article #24 , is passed over.**

Jon Schurger makes a motion to consider Article #21. - motion is seconded

by Bob Hunnefield. Article #21. To see if the Town will vote to authorize the Selectmen to sell the "Barney Schiogel Lot". Jon Schurger offers a motion to make it a condition that the Barney Schiogel Lot not be placed on the Warrant unless there is a petition by not less than 30% of the registered voters for disposal of this lot. Moderator explains that would be an illegal act if we did it. One Town Meeting cannot bind the next Town Meeting, except if the issuing of bonds or long term notes. You would be altering the State Law in terms of what could and could not be placed on the Warrant by the numbers you listed, therefore cannot accept motion.

Discussion on Article #21. Motion made by Forrest Powers to sell the Barney Schiogel Lot, motion seconded by Andy Phelps. Article voted on and fails to pass. **Article #21 fails to pass.**

ARTICLE #6. To see if the Town will vote to raise and appropriate the sum of $2,000. to go into a Capital Reserve Fund for Highway Equipment. onded by Andy Phelps to adopt article. **Article #11. passes.**

ARTICLE #13. Shall we adopt the provisions of RSA 72:28 V & VI for an optional veterans' exemption and an expanded qualifying war service for veterans seeking the exemption? The optional veterans' exemption is $100, rather than $50. (Ballot Vote). Twila Cook makes a motion to pass over the article. Moderator explains this article cannot be passed over. Motion fails. Motion made to adopt article by Forrest Powers, seconded by Andy Phelps. Ballots cast - 60 yes votes - 19 no votes. **Article #13 passes by Ballot Vote.**

ARTICLE #14. Shall we adopt the provisions of RSA 72:35, IV for an optional property tax exemption on residential property for service-connected total disability? The optional disability exemptions is $1,400., rather than $700. (Ballot Vote) Motion made by Forrest Powers to adopt article, seconded by Tammie Phelps. Ballots cast - 56 yes votes - 23 no votes. **Article #14. passes by Ballot Vote.**

ARTICLE #16. To see if the Town will vote to raise and appropriate $5,000. in the year of 1990 to be put into Capital Reserves fund for the purpose of reassessment of property. Twila Cook recinds her amendment and submits an amendment to read "To see if the Town will authorize the Selectmen to sell real estate acquired by the Town for non-payment of taxes or by Collector's Deeds - The Echo Glen Lots and Waukeena Lake Lots only". Motion seconded by Alan Brownell. Discussion follows. Article voted on as amended. **Article #22. passes as amended.**

Forrest Powers explains increases for the School Budget, and asks people to attend the School Meeting, March 20, 1990.

Twila Cook makes a motion to hold Town Elections and Town Meetings at the Town Hall, seconded by Stanley Phelps. Moderator explains this is non-binding sense of the house, non-binding, in other words it was not in the Warrant. Moderator asked for a vote. **Motion voted on and passes.**

TOWN REPORT
SUMMARY OF PEMI-BAKER ACTIVITY IN 1990

The Pemi-Baker Solid Waste District worked on a variety of projects in 1990. The District was assisted in its planning effort by North Country Council. Several disposal options were evaluated. Presently the District is negotiating a disposal agreement with Consumat Sanco in Bethlehem, NH. The contract provides favorable disposal rates to member communities who choose to participate. The District views the agreement as the first step in developing a long-term, environmentally-sound, and economically-feasible solution to the region's solid waste management needs.

In 1990, the District worked towards promoting the development of local recycling programs. Many of the towns in the District initiated recycling committees. District Representatives shared information on facility development, material handling and marketing. Several new recycling programs will hopefully begin collecting material during 1991. The existing recycling programs in the District continue to be very successful and facilitate the re-use of valuable resources.

PEMI-BAKER SOLID WASTE DISTRICT
HOUSEHOLD HAZARDOUS WASTE COLLECTION

In 1990, the District held its first annual Household Hazardous Waste Collection. The collection provided residents of District Communities with an environmentally-sound disposal option for household products which contain hazardous chemicals. These products include: waste oil, oil-based paint, anti-freeze, paint thinner, and many household cleaners. Inappropriate disposal of these materials can result in the contamination of water and air supplies. Volunteers from all the District Communities were instrumental in the collection's success. The District is evaluating options for next year's collection to promote an even greater level of participation. Much thanks to all those who volunteered and/or dropped off material. The District Committee looks forward to working with you next year. Expect and look for information publicizing next year's Household Hazardous Waste Collection.

DANBURY OLD HOME DAY ASSOCIATION

Old Home Day was instituted 91 years ago as a holiday in August for guests coming back to the "old home" to talk family, to remember, to celebrate places of the heart.

Those of us who live here don't really need Old Home Day to remind us of this place that is in us. But we've found that it's good to observe it - - formalizing for a day the sentiment we live with.

Old Home Day was commemorated this year on August 12, 1990 with a church service held at the South Danbury Church. Preceding the service, June Brown and June Phelps spoke of local reminiscences; and prizes were presented, as is the custom, to the oldest and youngest attendees, to the family with most members present, and to the family coming the greatest distance.

Following the morning service and a noon lunch in the church yard, Moulton's Band (known familiarly as the Sanbornton band) gave a concert, as they traditionally have, which was well attended.

Plans for 1991 Old Home Day are being discussed, with ambition to spread festivities over Saturday and Sunday. Anyone wanting to participate is invited to contact June Phelps, Dorothy Armstrong or Mary Lyn Ray.

ANIMAL CONTROL OFFICER

In 1990, I had 116 Animal Control calls.

With the rabid bat being found in Franklin, I would urge all dog and cat owners to make sure the rabies inoculations are up to date.

In 1991, I would like to initiate an assistance program funded by contributions to help those in need of financial help to spay or neuter their dogs.

This is my second year as a New Hampshire representative to the Board of Directors of the New England Animal Control and Humane Academy.

Respectfully submitted, Deborah L. Phelps, Animal Control Officer

GEORGE GAMBLE LIBRARY REPORT

Hours 12-4 P.M. Librarian: Dorothy McGonnigal

This has been another great year for the Library. The preschool reading program is still going strong, every other Saturday at 11:30.

Circulation has stayed very steady at : Adults 2733, Children 1476. Almost 4200 books have gone out this year.

We have purchased almost $900.00 worth of new books this year.

Everyone must have noticed the work done on the library walkway. We now have a ramp, plus the back room has been repaired. Thanks to Andy Phelps and his crew who worked hard to do the ramp. Thanks to Mr. Quinn for the repairs to the back room. Thanks to everyone who donated books and time to the library this year.

The library is open every Saturday from 12-4 P.M. Hope to see you there.

DANBURY VOLUNTEER FIRE DEPARTMENT
Fire Commissioners' Report

The Fire department was called on to respond thirty-nine times in 1990, fortunately the only structure fire we had caused only minor damage. The reasons for responses are listed below:

10	Chimney Fires	1	Structure Fire
3	Vehicle Fires	3	Grass/Brush Fires
2	Electrical Fires	1	Smoke Investigation
4	Mutual Aid	4	Power Lines Down
4	Vehicle Accidents	2	Propane Leaks
3	Service Calls	2	Fire Alarm Activations (No Fire)

The Department urges Danbury residents to have smoke detectors installed in their homes and workplace. They should be checked often to insure they are in working order if needed. Statistics have shown that smoke detectors have been instrumental in saving lives and property.

The funds allotted by the Town to assist the Fire Department in defraying expenses were used as follows:

Middlesex Fire Equipment Co.	$ 420.80
Pyro Adapter, Suction Hose & Coupling	
E.W. Sleeper Co. - Stroblights	438.72

REPORT OF TOWN FOREST FIRE WARDEN AND STATE FOREST RANGER

During calendar year 1990, the State of New Hampshire experienced an average number of wildfires. The three leading causes of these wildfires were fires kindled without a fire permit from the Forest Fire Warden, permit fires that escaped control and rekindled fires. All of these fires are preventable, but ONLY with your help.

Please help your town and state forest fire officials with forest fire prevention. New Hampshire State Law (RSA 224:27 II) requires that, "No person, firm or corporation shall kindle or cause to be kindled any fire or burn or cause to be burned any material in the open, except when the ground is covered with snow, without first obtaining a written fire permit from the Forest Fire Warden of the town where the burning is to be done".

Violations of RSA 224:27 II and the other burning laws of the State of New Hampshire are misdemeanors punishable by fines of up to $1,000 and/or a year in jail and you are also liable for all fire suppression costs.

The State of New Hampshire, Division of Forests and Lands assisted many towns in wildland fire suppression during 1990, including a 262 acre fire in Moultonboro and several fires in Hooksett.

In 1990, the New Hampshire Division of Forests and Lands trained 844 local Wardens and Deputy Wardens in the Incident Command System (ICS), and incident management system for all types of emergencies. In 1991, Wardens will be trained in the use of Class A foam in wildfire suppression.

If you have any questions regarding New Hampshire forest fire laws, please contact your local Forest Fire Warden, State Forest Ranger, or the Division of Forests and Lands at 271-2217.

LAKE SUNAPEE HEALTH CARE
1990 REPORT OF SERVICES PROVIDED IN DANBURY

1990 was a year of change and growth for Lake Sunapee Home Health Care. In February, we changed our name to Lake Sunapee Health Care and affiliates, Lake Sunapee Home Care and Hospice and Lake Sunapee Community Health Services. We also merged with Hospice Kearsarge Valley and now provide hospice volunteers as an additional service.

Demand for patient care increased due in part to more requests from physicians, hospitals, insurers, and people in the community. Professional and support staff responded to the growing need by maintaining demanding patient caseloads throughout the year.

During the year we received memorial and general donations which were important and greatly appreciated. These gifts enabled us to provide care to people who would otherwise be unable to afford it.

The following is a summary of visits provided to people in Danbury in 1990:

Skilled Nursing	77
Rehabilitation Therapies	49
Home Health Aide	297
Homemaker and Respite Care	27
Pediatric Nursing	1
Child Health Clinic	20
Parent/Child Program	34
Social Service	8

DANBURY KINDERGARTEN ASSOCIATION

The Danbury Kindergarten Association, Inc. was formed to operate a kindergarten in the absence of a public kindergarten program in the Newfound Area School District.

The Kindergarten opens in September and closes in May, following the school district's calendar for days in sessions. Class runs from 9 to 11:30 A.M. Children who are 5 years of age by September 30, making them eligible for entrance into the first grade the following year, may enroll in kindergarten. Children may be enrolled as pre-kindergarten students the year prior to kindergarten. Kindergarten pupils attend school five mornings per week, pre-kindergarten pupils join them for two. There are presently 18 students enrolled.

Mrs. Robin Heberling is in her second year of teaching at the Danbury Kindergarten. Mrs. Heberling works closely with the elementary school faculty, to develop a curriculum that seeks to prepare the children for first grade. Mrs. Amy Sue Shepard has joined the Danbury Kindergarten as the aide this year. Mrs. Shepard's creativity and enthusiasm is a valuable resource to the kindergarten program.

Tuition is set by the general board (consisting of parents and any interested community member) for the upcoming school year at the annual meeting each May. The discussion of tuition involves anticipated expenses and enrollment, plans for raising funds by activities, and a comparison to rates charged by similar programs in neighboring towns. Tuition for the 1990-1991 school year is $560 for kindergarten and $321 for pre-kinder-garten.

The Town of Danbury allows the kindergarten to operate in one section of the Town Hall. It is the involvement of parents and the support of the local community that has built the kindergarten program into that successful first step in the educational program for so many Danbury children. The kindergarten receives donations of materials, time, and labor as well as funds, from individuals and groups too numerous to mention in the space, as well as generous participation in our fund raising activities, and it is all greatly appreciated.

Respectfully,

The Danbury Kindergarten
Association Committee

DANBURY POLICE DEPARTMENT
1990 ANNUAL REPORT

The year 1991 promises to be one of great interest, especially to those with a strong desire to see our community continue to grow in an atmosphere of safety and general well being. In the 1989 Annual Report, I estimated a 5.2 percent increase for Calls for Service for 1990. As I stated in the 1989 Annual Report, "A sagging economy, an increasing population and the continuing effects of substance abuse make the 5.2 percent projection a conservative estimate". This projection was indeed conservative as the actual Calls for Service indicate a seventeen percent increase. However, when the increase in activity is placed in a proper perspective, one will realize a decrease in Danbury's major criminal activity categories such as Burglaries and Domestics. No doubt exists that this decrease is due to a successful arrest record in both of these categories. Our ability to solve burglaries and recover the majority of the items stolen and our ability to noticeably limit reoccurring domestics indicates our pro-arrest policy is indeed correct.

However, the categories of Juvenile Investigations/Court, Thefts, Criminal Mischief, Assaults and Motor Vehicle Accidents have contributed to an increase in Calls for Service from 1947 Calls for Service in 1989 to 2342 Calls for Service in 1990 and an increase in Hours of Service Provided from 1589 hours in 1989 to 1779 in 1990.

You have called - we have responded!!

The increase in usage of our Central Dispatch is very indicative of a necessary service being utilized by more people in need of Police Services and as the communication category "County to DPD via Radio" shows, radio communiques have increased indicating more "in cruiser time" resulting in faster response to Emergency Services.

Our Central Dispatch is the very lifeline between our department and the community. The support of the community is vital to maintaining qualified and professional police personnel in order for the Police Department to provide you with the best police services possible and to continue to make Danbury a better and safer community for all.

See you at town meeting.

Sincerely,
Stephen Corsetti
Chief of Police

PARKS FACILITY COMMITTEE

There was a work day July 4th at Four Corners to cut brush and reclaim the old ball field.

A public hearing was held in August to get the Town's input on a Recreation Area and Committee. Bad weather kept a lot from coming but about twenty people attended. There was favorable discussion about setting up a park on Town land at Four Corners on Eastern District Road and North Road.

Stanley Phelps, Arthur Perry and Twila Cook were appointed to head up a temporary committee.

Our efforts to bring an exciting midway to Grange Fair Day were a big success. Thanks to all who helped. We thank the Grafton Recreation Committee for the use of their dunk tank and support. The Street Dance was a lot of fun and went well.

More work days have been held and a lot of clearing at the park has been accomplished.

A temporary sign has been put up in hopes that people will notice and ask questions. We would like to hear your ideas. Thanks to Jim Barkhouse, Don Hartlen and friends for the sign.

The Halloween Party held at the Grange was great. The kids and adults liked the new Haunted House. We thank friends of the Recreation Committee for their donations to make this possible.

Respectfully submitted,
Twila Cook, Secretary
